

North Texas American Saddlebred Horse Association

MEMBERSHIP APPLICATION

General Information: The NTASHA membership year begins on December 1 and runs through October 31 of the following year. The first show of the show season for Texas High Point tabulation is the December TASHA show. Renewals must be received by March 1 for all of your points earned to be counted. If you join after March 1, your points will begin accumulating after your renewal is received. With only two shows in North Texas, we no longer offer a NTASHA High Points program, but our membership does make you eligible for the Texas High Points, gets you a \$10 discount on your ASHA membership, may offer you free entrance or discounts to NTASHA events, and most importantly helps support our local Saddlebred industry!

Name: _____

Address: _____
